

# Despre noi / About us

Matcon este o companie de constructii care a luat nastere in anul 1993, specializata in lucrari cu predarea "la cheie", realizate la un nivel inalt de calitate.

Matcon executa lucrari de: constructii civile, industriale si agricole,montaj structuri prefabricate din beton sau metal pentru hale industriale, consolidarea si restaurarea cladirilor monumente istorice, reabilitare si amenajare cladiri, izolatii hidro si termice, finisaje interioare si exterioare, drumuri,platforme si demolari.

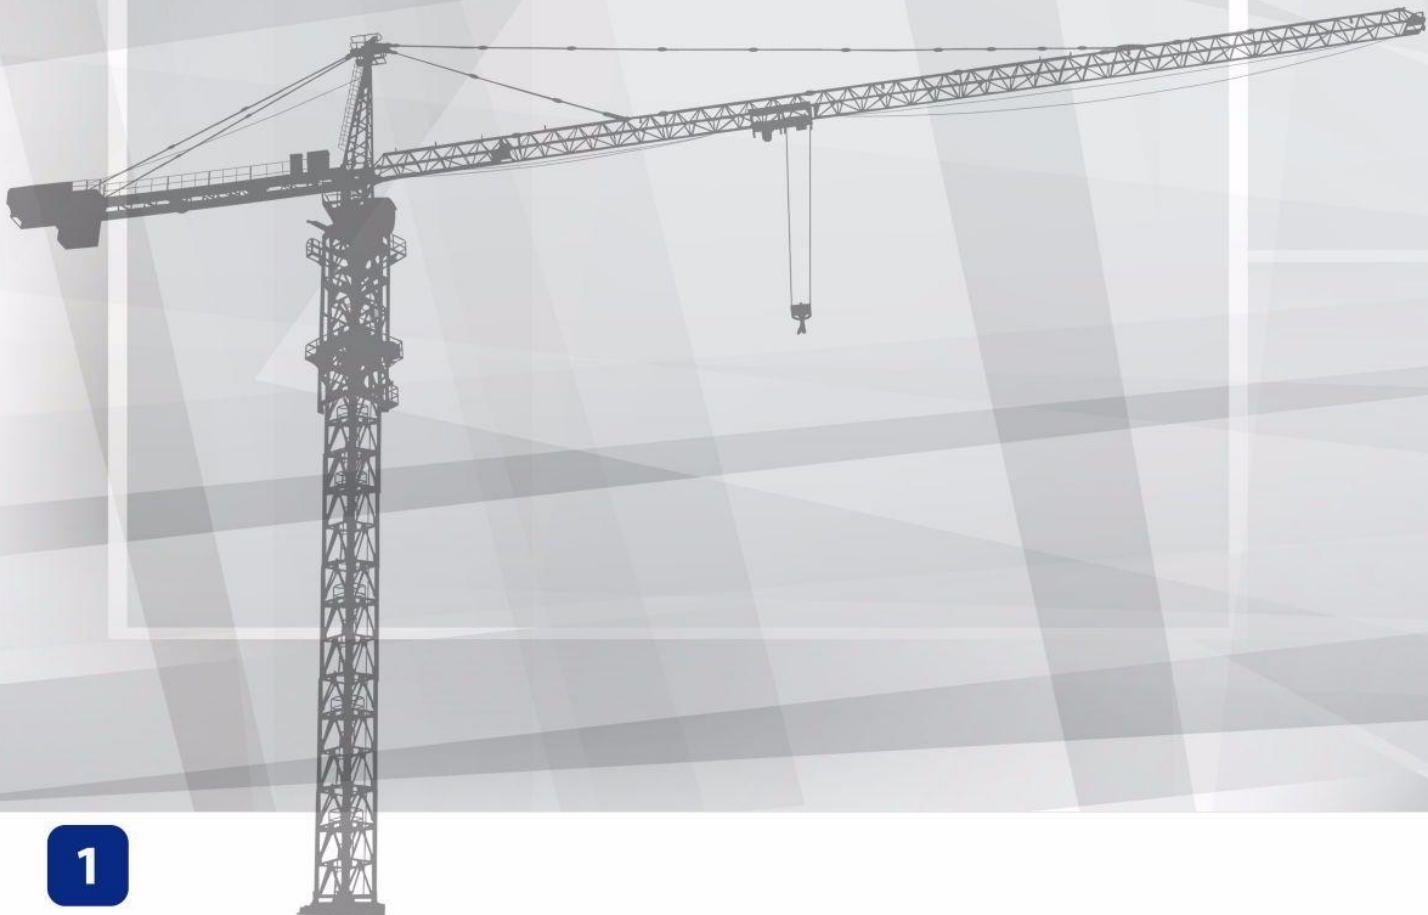

Calitatea lucrarilor este rezultatul eforturilor unui colectiv bine pregatit, argumentul principal in contractarea lucrarilor fiind garantarea acestora precum si predarea lucrarilor la termenele stabilite.

Matcon is a construction company which was established in 1993, specialized in construction works ready to use, created at a high quality level.

Matcon executes works that include: civil constructions, industrial and agricultural constructions, the mounting of prefabricated concrete and metal structures for industrial halls consolidation and restoration of monument buildings, rehabilitation and arrangement of buildings, hydro and thermal isolations, interior and exterior finish, roads and platforms, demolitions.

The quality of these works is given by efforts of a young and well-prepared group of people, and the main reason for contracting the works is the fact that their execution is guaranteed and delivering follows the established terms.

Serviciile noastre includ: executie, asigurarea proiectarii si a documentatiei tehnice, managementul proiectelor si a lucrarilor asistenta tehnica si consultanta in gasirea celor mai adecvate solutii indiferent de natura proiectului. Firma noastra asigura si dezvoltarea si realizarea proiectelor de investitii de la intenție pana la finalizare.

Portofoliul contine lucrari de antrepriza generala, hale industriale, centre comerciale, magazine, sedii de firma, cladiri si birouri, banchi, institutii de invatamant, drumuri si platforme, restaurari si amenajari, demolari.

Our services include: execution, the provision of projection and technical documentation, the management of works and projects, technical assistance and consultancy for finding the most suitable technical solutions, whichever the project's nature is.

Our company provides at the same time the realization and development of investment projects covering the distance between intention and finalization.

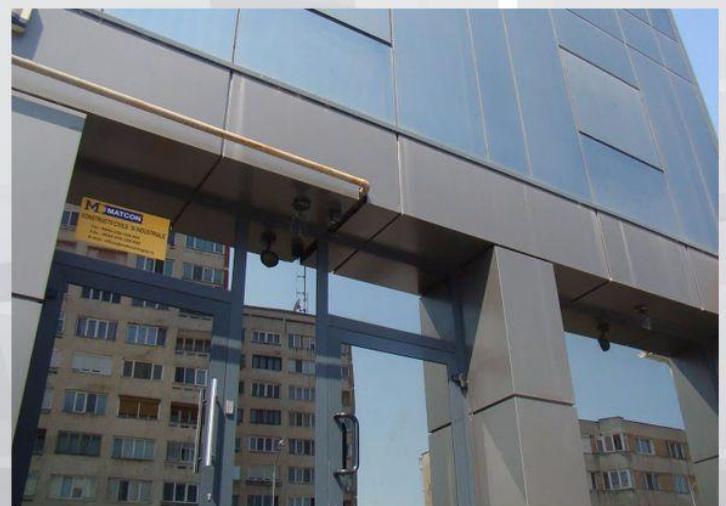

The portfolio contains works of general enterprise, industrial halls, commercial centers, shops, company residences, buildings and offices, banks, educational institutions, roads and platforms, restorations and arrangements, demolitions.
